• Introduction •

In harmony with the remarkable growth and development of Birmingham-Southern College and typical of the productive labor of the Magic City District, INDUSTRIAL PROGRESS has been chosen as the fundamental theme in this volume of La Revue. In word and picture that will summon memory and inspire endeavor, the 1927 Staff has attempted to crystallize the spirit of student life. As a realistic reflector of activities and achievements on the Historic College Slopes this book is presented.

Edgar M. Elliott

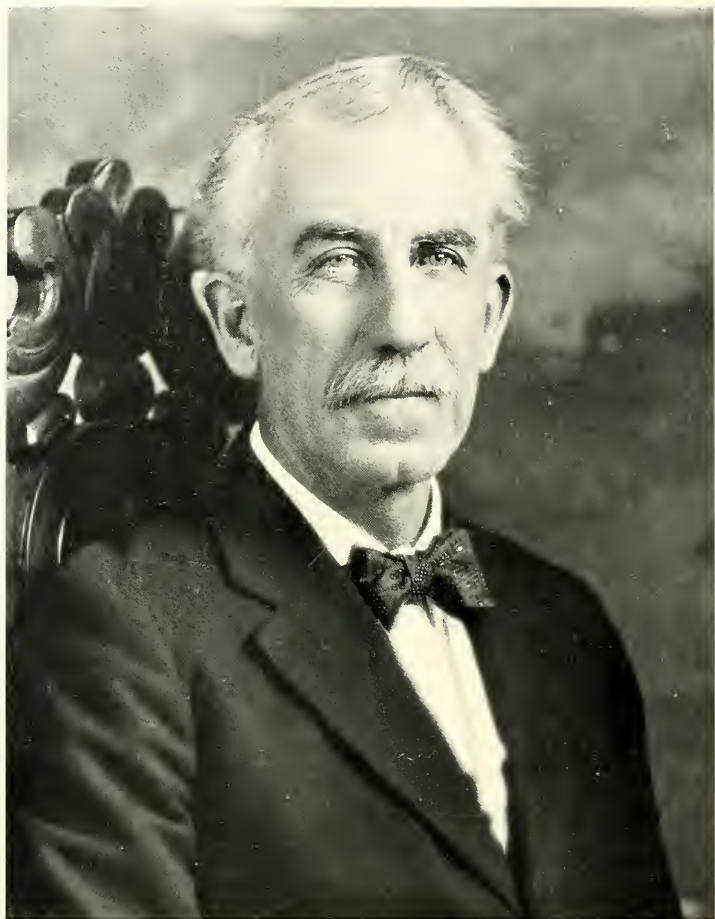

Dedication

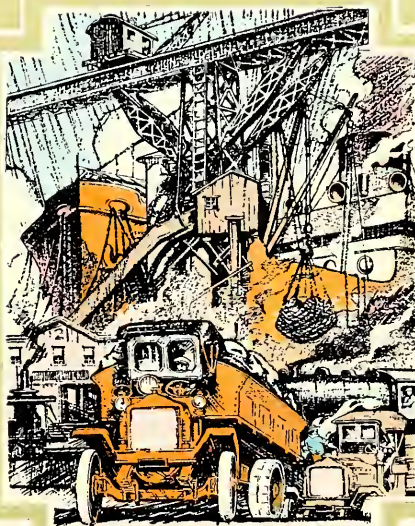

*In appreciation of generous and loyal service rendered
Birmingham-Southern College, this, the Eighth
Volume of La Revue, is respectfully
dedicated to*

Edgar M. Elliott

Alumnus, Trustee, Friend, Benefactor

B.S., University of Purdue; A.M., Harvard University; Ph.D., Residence completed at Massachusetts Institute of Technology.

NEWMAN M. YIELDING, A.B.

Bursar

A.B., Birmingham-Southern College, 1922.

*Down this sunlit trail to knowledge
Many fair days do we wander*

*Volumes open at our touch,
Giving freely years of wisdom*

*Within these walls upon the Slopes
In friendly conclave oft we meet*

*Faithful building, firmly standing,
Calmly serving through the ages*

*Here the study tasks we meet,
Learning for our future service*

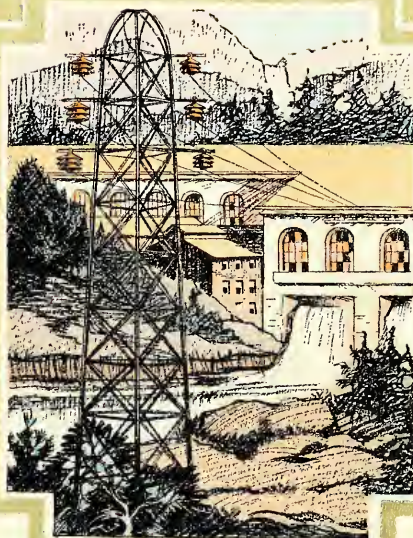

*Close beside us, stately mansion,
Home of him who wisely guides us*

*Friendships, cherished day by day,
Grow in happy concourse here*

*Sabbath stillness steals around us,
Teaching us our wisdom's meaning*

Senior Class History

FROM every Senior Class comes the age-old cry, "It doesn't seem possible that four years could have passed so quickly!" For the Class of '27 these four years have been filled with work and play, real accomplishment and real happiness.

The Class of '27, three hundred and ten strong, entered Birmingham-Southern just after the completion of Dr. Snaveley's first year as president. Even as freshmen we saw the beginning of great things. The dedication of the M. Paul Phillips Library began our Southern careers on a keynote of progress and development. We have been a part of a period of remarkable development, which portends a great and brilliant future for Birmingham-Southern College.

We have seen the completion and dedication of Munger Bowl. We feel that we have had an important part in giving to the college the Student Activities building. We have seen the great joint drive for Birmingham's two colleges increase the productive endowment of Birmingham-Southern to six hundred thousand dollars. We have seen the number of faculty members increase from twenty-two to more than fifty, and the enrollment almost doubled.

The college has been admitted to the American Association of University Women, and has been placed on the approved list of American Association of Universities during our careers as students, thus affording Birmingham-Southern wide recognition.

We have seen and rejoiced in seeing the erection of Dr. Snaveley's beautiful home—a reward, though impressive, hardly commensurate with his never failing efforts and glorious accomplishments for Birmingham-Southern.

During our college careers all of the honorary fraternities that are now at Birmingham-Southern were installed.

The Class of '27 has contributed many leaders in student life. A number of members of our class have made scholastic records of prominence, several of them making the permanent Roll of Honor. Writers and orators of ability have come from the Class of '27, and many of these have not only made records at the college, but have won recognition elsewhere.

In athletics the graduating class has also been outstanding and has been represented in every branch of sport at Birmingham-Southern. In the intercollegiate debates our class has also been a leader.

So briefly is written the history of the Class of 1927. In the future, as we play our small parts in the making of a greater history, may we ever reflect honor and glory upon our Alma Mater.

RUTH WILKINSON TUCKER, *Historian*.

Freshman Class

First Row: margaret tyler, virginia tyler, t. h. tyson, albert vincent, a. d. vines, eddie wade.

Second Row: henry wailles, elbert wallace, renetta walton, paul ward, louise weaver, jack webb.

Third Row: nell weed, alfred wood, sarah wood, raymond weeks, james whetstone, william white.

Fourth Row: gerald whitley, t. j. whitley, daniel whitsett, evelyn wideman, golie wilson, ronald wilson.

Fifth Row: john winton, alexander wright, sammie yates, delia young, hugh young, miles zimmerman.

Chapter Two

ATHLETICS

PANTHER'S LAIR FROM THE AIR

Birmingham-Southern Athletics

Within recent years athletics of Birmingham-Southern have shot skyward as the Panther has gradually become a beast of prowess recognized throughout Dixie. Birmingham-Southern is annually represented by teams in the four major sports of Football, Baseball, Basketball and Track, and the teams have merited a lofty rating in the S. I. A. A.

In Football and Baseball the Panthers had for some time been recognized as formidable opponents but not until recent years have Basketball and Track been developed to the extent that the Birmingham-Southern teams rank with the leaders in these lines of endeavor also.

In 1926-27 teams of such caliber have been produced that the Golden Panthers are becoming widely known. Within this lair upon the Slopes the Panther is continuing to sharpen his claws for coming conflicts in the four sports.

HAROLD DREW
Athletic Director

One of the big reasons why the Panthers have accumulated so many victories in all branches of athletics for the past several seasons is Coach Harold Drew, energetic and popular athletic director. Southern sports have truly made a meteoric ascension in the three years "Coach Spud" has been at the helm of athletics here. Drew has annually trained three varsity teams at Birmingham-Southern, directing the play in football, basketball and track. For two consecutive seasons his football teams have scored on every foe and the schedules included some of the toughest grid troops in this section. A characteristic of all Drew coached teams is their continuous display of the fighting spirit so essential to athletic success.

DREW, JONES, WINGO, LEWIS

Football Coaching Staff

BRUCE JONES

Assistant Football Coach

Bruce Jones, the captain of the national football champions of 1925, joined the Birmingham-Southern coaching corps in the Fall of 1926 and proceeded to mould one of the strongest forward walls ever to wear the Gold and Black unies. Jones obtained results from the inexperienced linesmen by explaining thoroughly what he wanted done and then by demonstrating it in a skillful manner. There was remarkable improvement in blocking and tackling among the linesmen after he enlisted as a coach here. By the end of the season he had a line capable of holding its own against any opponent on the schedule. Jones was regarded as one of the outstanding linesmen of the country during his college career.

DOUGLAS WINGO

Freshman Coach

After serving last year as assistant varsity mentor, Coach Doug Wingo took charge of Freshman football at Birmingham-Southern this Fall. His squad of gridgers was well trained in all departments of the game and showed the effects of excellent coaching in every contest. Four of the hardest Freshman elevens of the south were played but the Wingo forces never failed to give their foes a battle to be remembered. The Rat warriors were carefully drilled in the fundamentals of the Rockne system of play to equip them for varsity duty next season. Coach Wingo is an ex-backfield ace of Washington and Lee, and Marion.

EDDIE LEWIS

Assistant Freshman Coach

Coach Eddie Lewis, who formerly was the big gunner of the Panther backfield, returned to the college he once served well as a player, in the capacity of grid instructor. He aided Coach Wingo with the Freshman squad in an efficient manner and rendered valuable services in developing a charging backfield. The brilliant passing and punting of the Freshmen were largely attributed to his coaching in these phases of the game for Eddie was for several seasons, here and at Carnegie Tech, considered among the best kickers and passers within the borders of Dixie.

CHEER LEADERS
MANAGERS

FOOTBALL

The Panther Football Squad began work September 1 at its Mentone Training Camp in the heights of the Lookout Mountains, nearly two score huskies assembling under the Gold and Black Banners for the pre-season training under Coaches Drew and Jones. The ten days of camp life was followed by two weeks of hard work at Munger Bowl prior to the opening of the season with Mississippi A. and M., September 25.

The Delta State gridders captured the primary struggle, 19-7, though the Panthers played splendid football in all departments. A pass, Pace to Fullbright, brought the Methodist tally. The Aggies, boasting of a powerful team, were heavy favorites to win by a larger score and the showing of the Panthers was considered remarkable.

The following Friday Coach Drew led the entire varsity squad aboard a fleet of Fords for a journey to play the annual argument with the Marion Cadets. No great difficulty was experienced in bringing home the bacon from this fray, the Slopers holding their opponents scoreless until the closing minutes of the final period and counting twenty-seven points themselves.

The real hard luck battle of the season came the following week. At Memphis, playing the Presbyterian group of gridsmiths, the Panther forces came out on the miniature end of a 16-14 result. The feature of the game was Miller's return of the opening kick-off 80 stripes for a

VARSITY FOOTBALL SQUAD

touchdown. Finney also got loose frequently. A safety, a trick pass and Southern fumbles furnished the victors all that was necessary to get the decision.

Following the disastrous affair with Southwestern, the Gold and Black squad entertained the Southern College Moccasins at Munger Bowl. It was Lott versus Lott in this affair, one shining in the backfield of each team and both, though small, showed "Lotts of power." Birmingham-Southern gained at will in the first half and wound up with the triumph sewed up, 26 to 13, doubling the score on the visitors.

One of the toughest assignments of the season was faced next, the Hilltoppers being pitted against the husky and tenacious Moccasins of Chattanooga University. A tie score was the result, the game ending 7-7 after both elevens had fought gallantly to break the impending draw.

Birmingham-Southern and Jacksonville Normal engaged in the next conflict at Gadsden. The Normalites were held in check completely throughout most of the tussle, scoring their lone touchdown near the close of the game. Black contributed a spectacular 90-yard run for one of the Panther six pointers. It proved to be the longest sprint of the season in Birmingham-Southern grid games. The Panther total was 29, and the Teachers were held to a mere six points.

One more defeat was waiting for the Panthers and this came at the hands of the strong Mississippi College Choctaws, when the locals invaded the territory of the latter tribe. The score was 26-14 against the Birmingham representatives.

Making up to a great extent for the defeat by Mississippi College was the 41-0 triumph over Millsaps one week later on Munger Bowl. The game was one sided throughout and never did the Millsaps team threaten to gain the upper hand. Black, Williamson, Lott and Guin continued to flash.

And then . . . the Battle of the Marne loomed on the smoky horizon. The battle with Howard was nearing and both teams had been preparing several months with the Classic of Birmingham as their ultimate aims. Secret practice was ordered in the Panther's lair until the arrival of the important afternoon.

One of the best games of history between, the rivals materialized and another one of "those ties" was the outcome. Yank Miller, with his brilliant dash of 87 yards around end for the touchdown that allowed the Southerners to deadlock the score, closed his career brilliantly. Pace, playing his first varsity game against Howard, calmly dropkicked the goal that meant Birmingham-Southern 7, Howard 7. Stephens, Waller, Williamson and Fullbright played brilliant games for Southern also.

The last game on the schedule was on Thanksgiving Day with the Rollins eleven at Winter Park, Florida. Rollins was trounced 31 to 0, the curtain falling on the grid activities as the final whistle sounded.

Considering the season of 1926 from every angle it was an unmistakable success and the fact the squad is largely composed of Sophomores points brightly to the future. Several stars, including the 1926 captain, will graduate, however, but chances seem good for a winner in 1927.

PANTHER LEADERS

BY FEC
MURRAY

PANTHER LEADERS

CAPTAIN BLACK

Though handicapped by injuries during the last two grid seasons, Captain "Curly" Black continued to shine in the Birmingham-Southern backfield. When right the side-stepping leader of the Panthers was a hard man for any eleven to stop and for several seasons he was a star triple-threat player, running, passing and punting. Black's greatest football campaign was in 1924, when he was the leading scorer and best ground gainer on the squad and the star of practically every contest. In the classic with Howard that year "Curly" gained more ground than the entire opposing backfield.

May Birmingham-Southern's PANTHERS
Play The Game With True Sportsmanship
Is The Greeting Of

Grantland Rice

Herewith please have my heartfelt wishes that
Birmingham- Southern College athletic teams
will enjoy their full share of victories
in the year 1927 and that all games, win or
lose , may be played to the limit of loyal
endeavor.

Very sincerely yours

Lawrence Perry

Lettermen

FRANK ALLEN, *End* (Second Year Varsity)

Frank is one of the most colorful players in the South and a real battler all the time. He was a good pass receiver and deadly tackler.

MILFORD BARNES, *Tackle* (First Year Varsity)

Barnes is a solid bit of grid furniture who can be depended upon on both offense and defense to give opposing linemen trouble in quantities.

JOHN BARTLETT, *Guard* (First Year Varsity)

This graduate of the 1926 Freshmen eleven came through with colors flying in the varsity forward wall. John is a hard scrapper all the time on the grid.

HARVEY WILLIAMSON, *Guard* *Captain Elect*

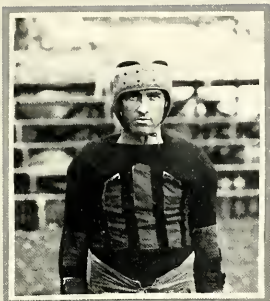

(Second Year Varsity)

The Panthers made a wise choice in naming the hard charging Tony Williamson to lead them in 1927. He is one of the best linemen Southern ever produced and he is a thorough student of the game. As a fighter he is unsurpassed.

BOB BOWDEN, *Tackle* (Second Year Varsity)

Bob combined his weight and gridiron skill to a great advantage during the past season. His performance against Howard was of the outstanding type.

Lettermen

GERALD BRADFORD, *Half*
(Second Year Varsity)

Bradford was held back by injuries in some of the games, but he stepped to stardom in the majority of the encounters he entered, flashing brilliantly at times.

JACK FINNEY, *Half*
(First Year Varsity)

One of the fastest backs on the squad was Jack Finney and until his ankle was broken in the 'Nooga game he was a big scorer. He has a very bright future in Panther harness.

HOWELL GUIN, *Half*
(First Year Varsity)

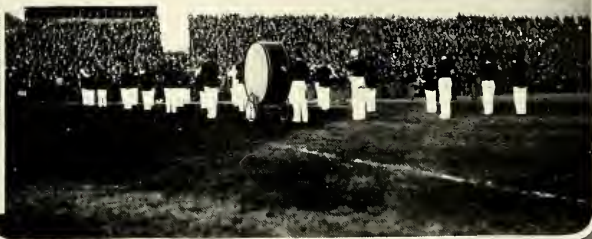

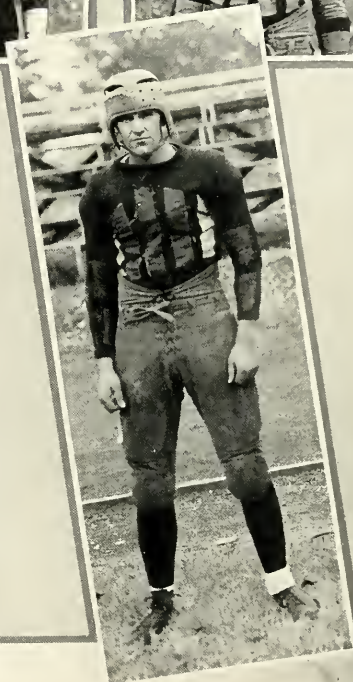

"Red" Guin made good his first year of college footballing. He proved to be a neat runner and was beyond a doubt the most accurate dropkicker on the squad.

LEX FULLBRIGHT, *Quarter*
Alternate Captain Elect
(Second Year Varsity)

This heady field general of the Drew forces will serve as alternate captain next fall. Lex exhibited splendid generalship and ability at tackling and blocking throughout the 1926 season. He always backed up the line well.

JAKE HALL, *Guard*
(Third Year Varsity)

Jake was the same dependable linesman and few plays aimed at his sector of the battle front by opposing teams ever materialized as advances.

Lettermen

BILL JENKINS, *Quarter* (First Year Varsity)

Bill played his fourth year on the squad and served well when ever called upon. He knows the game thoroughly and selects his plays with the best of them.

JOHN KING, *Tackle* (First Year Varsity)

King was another one of the youngsters from 1925 Freshman ranks to deliver the goods in fine style. His tackling was low, hard and tenacious.

ROY LONG, *Center* (Second Year Varsity)

The Panthers have boasted of few if any harder fighting pivot men than Roy Long. Roy was always in the middle of the action and on the job as Chattanooga players will testify.

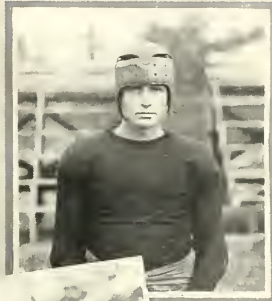

CHARLES MILLER, *Half* *Alternate Captain* (Second Year Varsity)

"Yank" rose to the heights of the grid in several games closing his career in a blaze of glory in the Howard classic. As an all-round player the spectacular Miller has few peers in this vicinity. His broken field running was brilliant.

EDGAR LOTT, *Half* (First Year Varsity)

Another fleet and elusive runner and a real star was "Chink" Lott. Though small of stature, Lott could gain ground with the best of them and he passed well.

Lettermen

HUGH OGLE, *End*
(First Year Varsity)

"Shorty" was a big star on a wing with the Freshmen in 1925 and he continued to shine in 1926, playing regularly on right end. He is hard to take out on any play.

J. Y. PACE, *Half*
(First Year Varsity)

It was Pace who booted the dropkick to tie Howard in the feature game and it was the same toe that defended Southern's goal through most of the season. He is an excellent punter and line buckler.

HARRIS STEPHENS, *Center*
(First Year Varsity)

Stephens has the best prospects of any snapper back to play for Birmingham-Southern in many moons. He was especially adept at crashing enemy lines on the defense.

EVERETT SNAVELY, *Manager*

Snavely was one of the most efficient managers of football to serve on the Slopes in some time. He was a real hustler all the time and truly knows the art of managing.

LESLIE WALLER, *End*
(First Year Varsity)

Though one of the very lightest players on the entire squad, Les Waller never failed to give a good account of himself. He can tackle with power and is a polished pass receiver.

BECK-HALF

RAY-GUARD

CHILDS-FULL

A new ruling of college athletic officials required a definite number of football quarters for varsity letter winners of 1926. Due to injuries sustained early in the season or for similar reasons three of the sturdiest performers of the squad were prevented from playing the required number of periods to win their second consecutive letters. These men were: Bowden Beck, Joe Ray and Herbert Childs. All of them were members of the squad in 1925 also, and were presented sweaters.

BOWDEN BECK, Half

(Second Year on Squad)

"Kinky" Beck, a fleet and hard running back, continued to shine in 1926 when the opportunity presented itself. He was a leading light on the 1925 team at half and was a real ground gainer.

JOE RAY, Guard

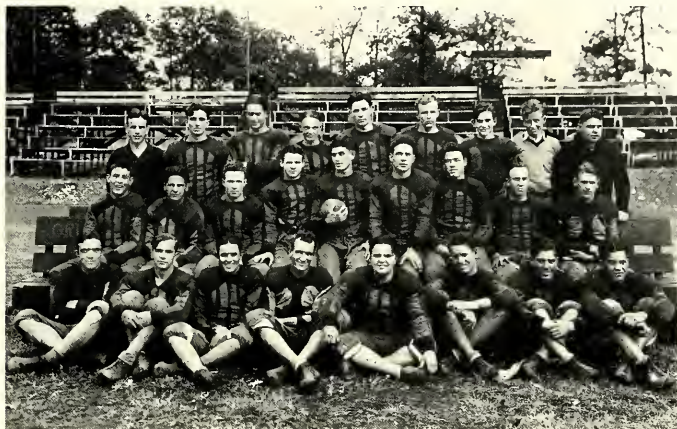

(Second Year on Squad)

Joe has for two seasons been a big performer in the line and he was one of the best kick-off individuals on the entire squad. Though light for a guard, this Ray person was always in there battling them.

HERBERT CHILDS, Full

(Second Year on Squad)

Injuries kept "Baby" Childs decorating the bench during much of the past grid season but the husky line plunger saw service in a few encounters and performed creditably, smashing lines to threads.

Freshman Football

The Freshman gridders of 1926 were a fighting group of players and played a good brand of football, though the record is not of the impressive variety. Four games were played and the same number were lost but good showings in every way were made in all of the melees. Lack of weight and experience coupled with bad breaks at crucial intervals accounted for the consecutive reverses sustained.

Starting with the Crimson Wave from Tuscaloosa, the Cubs went down in defeat in a thrilling exhibition, 19 to 7. C. W. Smith, hard working signal caller, got away for a long run to count one of the few touchdowns scored against Alabama Freshmen in some time. A major portion of the game was fought on about equal terms.

Next on the schedule was the University of Chattanooga Rats. Again the Cats lost, this time 12-0. Much of the battle was waged in Chattanooga territory but the scoring punch was lacking.

The Vanderbilt Frosh ran off with a 51-7 verdict in the third game of the grind, while in the last fray Howard's Bullpups chewed their way to a 40-0 decision. The first half was close but the Crimsons forged far to the fore in the second period.

Outstanding members of the Freshmen team and men who seem to have excellent prospects for varsity positions next Fall are: Captain Robert Lee Sudduth, Albert Vincent, Louie Ziegler, Hardy, Calloway and Smith. There were other players of unusual ability also and the varsity should be considerably strengthened next Fall from the Kitten ranks. Having profited by the training of Coach Wingo in varsity tactics several of the Freshmen of 1926 should loom high in the regular squad of 1927. McCullough, Martin, Tucker, Wharton, Nelson and others showed promise of developing fast into sturdy gridiron performers.

In summary, the Freshman team worked in much better style than the scores of the season indicate. Here's to the gridmen of the Class of '30: may better luck attend your varsity efforts next year.

Class Football

 At the conclusion of the regular football season the four class football teams swung into action and an interesting series of battles resulted. The Sophomores waded through the opposition to gain the class title, winning both of their games by 6-0 scores. Every one of the trio of battles was unusually hard fought. The Sophs beat the Seniors in the opener when Chancey raced for a counter near the game's close after intercepting a pass. The Juniors and Freshmen played to a scoreless draw in the second battle, the upper class going to the finals against the Sophs who won a hard fought scrap by bucking over a touchdown in the closing minutes. The final game was the only tilt played on a dry field.

Spring Football

It is in the Spring football that many unknown quantities are developed for future varsity service and Spring football has become an annual event of a sportive nature on Munger Bowl. Each season, just before the beginning of baseball practice, the Spring training squad is divided into two sections and after several days of hard practice a championship battle is played. This usually draws a large crowd and attracts much interest as it is the only grid happening of the Spring.

Summer Football

During the Summer school session Coach Drew annually holds a coaching school, training prospective players and coaches. Many of the varsity players take advantage of this opportunity to get in shape for the coming football season or to become familiar with the plays before the regular work begins.

BASKETBALL

Coach Drew's varsity basketeers are off to a nice start on their 1927 season at the writing and several victories have been earned, though the season is yet in its early stages.

The first game of the season was dropped to the Bessemer Y. M. C. A., 24-23. In the second contest on the books, Alabama's mammoth Crimson Tide was turned back, 27 to 20.

The Panthers then hit the road, dropping two out of three games played on the trip. The University of Chattanooga rallied to take the measure of the Gold and Black quintet, 31 to 22 in the opening road battle. The team, however, came back to down the strong Maryville College five, 29 to 22, in the next affair but closed the trip with a 31-19 loss to Tennessee Wesleyan.

The Boys Clubbers copped a hard-fought game by 19 to 17 following the return of the squad from the foreign courts.

Though the team has not quite broken even in the games prior to January 25, indications are that the 1927 team will prove a consistent winner before the season's close with the mainstay of last season's squad on hand in addition to a fast group of ex-Freshmen in the fold demonstrating their ability at holding enemy basketeers while adding points to Southern's score.

Captain Price, Lott, Beck, Currie, Neipp, Harris, Ogle, Finney, Kimbrough, Allen, Beagle and several others compose the 1927 squad and these players have combined efforts to enable the Panthers to make a creditable showing in early season conflicts. Price, Lott and Allen have been the big scoring cogs in the Drew machine to date.

The Howard series has not taken place as we go to press and it is being anticipated with interest by local fandom. In 1926 the Panthers dropped two of the three game series to their rivals after beginning the series in brilliant style with an impressive victory. Better results are hoped for in the 1927 cage series for the city title.

A much better offensive team has been formed for 1927. Allen, Lott, Beck, Neipp and Price are all good shots at the loops and the offensive should not be a problem this season. In six games the team has counted 137 points, averaging almost 23 points to the game.

VARSITY BASKETBALL SQUAD

CAPTAIN PRICE

Ernest Price, 1927 basketball pilot, became a regular player with the Panthers soon after he entered college. The ability of Price to work the leather into scoring position and to break back to his defensive position at guard is a big factor in his customarily sterling play. He is a fine defensive player and few baskets are registered by the opposing forward he is guarding, as a rule. Price has also displayed offensive ability and can ring the baskets with regularity. He is especially adept at passing and shooting from close range when speeding under the goal.

Basketball Team

CLARENCE McDORMAN, *Guard*

Clarence was a star defensive performer at a running guard position in 1926. He was especially effective as a floor man and in passing.

BOWDEN BECK, *Forward*

"Kinky" Beck is one of the most accurate shots on the squad. His speed and agility on the polished floor are other assets.

NOBLE McEWEN, *Manager, 1927*

Noble McEwen, former track manager, knows the art of handling the business reins of a sporting organization. He arranged a neat schedule for 1927.

FRANK ALLEN, *Forward*

"Don Pancho" rose from the captaincy of Freshmen to a regular position with the varsity in one season. His floor work was exceptional.

S. T. KIMBROUGH, *Center*

This veteran pivot man continued to shine on the floor. His distance shooting was accurate and often brought in the victory.

ERNEST PRICE, *Guard*

Price was a bright light on the quintet of last season. He is an accurate passer and one of the best floor workers in this vicinity.

Note—Individual pictures of 1927 players unavailable.

Co-Ed Basketball

One of the Hilltop's most colorful and successful athletic organizations is the Co-Ed Basketball Team. The girls have already begun their 1927 play and the new team is composed of players of ability, though several members of the squad are lacking experience.

Of the five games already played three were tabulated as victories. As an opener Athens College was soundly beaten, 47 to 16. Loulie Compton Seminary fell by an even larger measure, losing to the Pantherettes by the count of 60 to 6.

Auburn was beaten, 38-11, the team registering its third consecutive win. In the next engagement, however, Womans College out-passed the Westside girls and ran off with a 34 to 18 decision.

The first game of the Howard series followed and after a close and hard fought game the Howard Co-Eds captured a 19-15 edge. Two more games remain in the series before the season terminates and the Southern girls are determined to repeat their victory of last season and capture the city title, though their foes now hold a one-game edge.

Captain Lucile Cannon, star center, with Trudie Whisenant, Addre Guthrie, Evelyn Armstrong and Florence Quigley form a flashy combine that is certain to give opponents trouble. Coach Barbara Ransom has been working the goal tossers hard in preparation for coming games and she should build a formidable quintet before the curtain falls on cage activities.

Clark, Miller, Hamilton and McDonald are pushing the regulars for places in the lineup, while Margaret Murray, forward; Edna Floyd, guard; Mildred Self, center, are other strong contenders for the fast flying outfit of 1927.

Armstrong has played well at guard in the early games, while Cannon continues the hub of the passing attack and Whisenant is the big scorer. Guthrie has also been a consistent scorer in the preliminary games that have been played.

The team is striving to equal if not to better the remarkable record of the 1926 team.

Co-ed Basketball Team

LUCILE CANNON, *Center-Captain*

The Pantherette leader of 1927 is a fine all-round basketeer, being a good passer and a nice shot.

TRUDIE WHISENANT, *Forward*

Trudie is the big scorer of the team and a sterling basketball player.

ADDRE GUTHRIE, *Forward*

A neat passer at a forward position and an accurate sharp shooter is Addre Guthrie.

EVELYN ARMSTRONG, *Guard*

Evelyn proved to be one of the stars on the defense and can keep the ball in home territory.

FLORENCE QUIGLEY, *Guard*

Florence knows the art of keeping opposing forwards in check as she often demonstrated.

VIRGINIA WEBB, *Manager*

Virginia served the team well as manager and scheduled some real interesting battles.

GLADYS MILLER, *Guard*

As a reserve performer Gladys Miller is fast becoming a valuable member of the squad.

LELA CLARK, *Guard*

Lela, playing her fourth year on the squad, continues to play a consistent game.

MARGARET HAMILTON, *Forward*

Margaret should become an important factor in the team's play in coming seasons.

DOROTHY McDONALD, *Guard*

Dorothy is a good worker on the defense and a consistent player.

Freshman Basketball

The Freshman quintet of 1927 is following the brilliant trail of the 1926 Freshmen, having won five of the first six games played to date. The first battle of the year was dropped by the Engleberts to the crack Phillips five by the score of 28 to 11 but the basketekers of '30 came back with a rush and downed Alabama's Freshmen in neat style, 32 to 20.

The team, led by Albert Vincent, Robert Lee Sudduth, Clare Barclift and Denson Reid, has continued to show good form, trampling Bessemer High, Howard Rats, Simpson High and Woodlawn High in the order named after soundly beating Alabama's Baby Tidesmen.

Bessemer fell by the count of 21 to 7, while the Howard Freshmen met a like fate, losing to the Cubs, 35 to 16. Simpson was stopped, 24 to 12, and Woodlawn was nosed out, 27 to 25.

Other games of importance remain on the books and Coach Englebert is driving the squad hard in an effort to continue the rapid pace.

It seems that the 1927 Freshmen will hang up a record to equal that of the 1926 team, said by many critics to be the best "Rat" five ever turned out at Birmingham-Southern. The team this season is able to give the varsity plenty of competition and no doubt several members of this year's Freshman quintet will be on the varsity within a year.

Coach Englebert has developed a good passing combination and several of the tossers are very accurate marksmen at the baskets. Vincent, Sudduth and Reid are former breezes on the Purple Tornado of Simpson and these boys know the ins and outs of the cage sport. Barclift is a former basketeer of Phillips, while another performer of skill and ability is a youth by the name of Sargent. He has played well in all of the early games.

In addition to these players there are several other ex-prep aces of the indoor sport and with a good supply of reserve material the squads seems set for a good all-round season.

BASEBALL

Birmingham-Southern experienced a mediocre baseball season in 1926 despite a high grade of pitching. Failure of the team to show consistent winning form was attributed to the lack of opportune clouting.

Two triumphs were recorded against Millsaps, while Howard, Springhill and Marion were subdued once each by the Panther tossers. The annual series was lost to Howard, the Crimson capturing three of the four games played between the rivals. Three of the battles were heated mound arguments and were close all the route. Two of the Howard tilts were shut-outs.

Exhibition games were played with the Birmingham Barons, Southern League professional club, and the Sloss City League outfit. Three trips were made by the squad, the longest excursion extending through Mississippi and South Alabama.

Many of the regulars were inexperienced in varsity competition and Coach Mike Huntley was forced to experiment to a great extent before forming a permanent lineup. Much shifting was necessitated in the outfield and infield before the players showed signs of functioning as a unit.

Seventeen scheduled games were played and though the Hilltoppers did not gain their share of the wins, a likely machine was erected for the future. If the team had developed a sustained offensive the majority of the results would probably have been of a different tune.

Captain O'Brien, Pace, Pearson, Howell, Sutter, Perdue, and Lazenby are not in school this year but despite the loss of these players prospects are much brighter for a fast moving diamond mechanism in 1927. Joe Ray, Carl McLaughlin, Bill Jenkins, Francis McTrottes, Yank Miller and Bob Manar are back and ready for action. These returned veterans with the addition of Freshman satellites should give abundant material for the coming grind.

Bertram Bryant, catcher of several seasons back, has returned to the Hilltop and will bolster the backstopping department. Lott, Beagle, Waller, King, Finney and Hewlett are the ex-Freshmen being counted upon heavily to bolster the varsity ranks.

McTrottes, "Mule" Pace, Manar and King should form another strong twirling corps and the pitching problem should cause little worry.

VARSITY BASEBALL SQUAD

CAPTAIN O'BRIEN

"Mickey" O'Brien, captain of the 1926 baseball team, was a stellar receiver and crashing hitter throughout his college career and later he made good as a member of the Nashville Southern League Club. The "Fighting Irishman" was one of the best all-round catchers ever to play with the Panthers. His terrific slugging won many games, while his defensive work was equally as good. "Mickey's" circuit drive over the bleachers to win a hard fought contest from Howard in the final inning will long be remembered by local fandom as a feature of the 1925 season.

Baseball Team

ED HOWELL, *Third Base*

Ed was stationed at the hot corner, where he exhibited neat fielding in most of the games.

CLARENCE O'BRIEN, *Catcher*

The Panther diamond leader continued one of the best backstops in the southern college baseball, starring in many contests.

EDDIE PACE, *Utility*

Eddie won his fourth letter of the year in baseball, serving on the mound, in the infield and in the outfield.

CARL McLAUGHLIN, *Short Stop*

McLaughlin was a fast shortfielder and a dependable batsman, delivering many pinch blows.

T. B. PEARSON, *Outfield*

T. B. was again a steady little gardener. He was one of the most consistent workers at the plate also.

FRANK McTROTTES, *Pitcher*

"Mc" engaged in many hurling battles. He blanked the Barons seven straight frames in three combats.

CARLTON PERDUE, *Second Base*

"Hub" proved to be one of the best natural swatters on the squad and a good keystone.

ROBERT MANAR, *Pitcher*

Bob clouted heavily and was one of the mainstays of the twirling corps.

Baseball Team

RALPH LAZENBY, *First Base*

At the initial sack Ralph made good with a rush, digging them out of the dirt with skill.

LUCIEN GIDDENS, *Manager, 1927*

A nice schedule is being arranged for the 1927 team by Lucien Giddens, assistant manager of last year.

M. C. HUNTLEY, *Coach*

Coach Huntley, an ex-hurling star, developed a strong pitching corps in 1926 and uncovered much capable material for future use. He should be rewarded with a winner in the coming season.

CHARLES MILLER, *Outfield*

"Yankee," a veritable streak on the base paths, became a valuable run scorer on the Huntley clan.

JOE RAY, *Outfield*

Joe was the heaviest hitter on the squad with room to spare. His defensive work was brilliant at times.

TOM SUTTER, *Outfield*

Tom's fielding was often of the spectacular type. He often cut off runs at the platter with throws from deep in the pastures.

WILLIAM JENKINS, *Pitcher*

Bill served again as relief hurler and he was one of the hardest and most consistent workers on the 1926 aggregation.

Freshman Baseball

A well rounded diamond delegation was developed on the Hilltop in 1926 by Coach Ben Englebert and a creditable showing was made by the outfit in all of the contests. Several excellent prospects were polished for future varsity service.

A number of local prep combinations were trimmed during the season and seldom were any encounters dropped by decisive margins. The Fighting Kittens were defeated twice at the hands of the Howard Bullpups and as a result lost the Freshman city championship of the diamond.

The first of the series with the Howard Freshmen was a slugging match, the Bullpups finally gaining a 12-11 decision. The second fracas went twelve rounds, an error permitting the East Lakers to cop the mound duel, 2-1.

Players, who figured prominently in the play of the 1926 Freshman nine, were "Chink" Lott, "Mule" Pace, Les Waller and Harold Beagle. O'Brien and Finney formed a fast keystone combination. Ragland, Hulett, Green, King, Clements, Hardy and Murphy were the other members of the squad.

Lott was a fine lead-off man and was one of the leading run scorers in addition to being an effective southpaw batsman and a capable fly chaser. Pace's pitching was one of the features of the season, his performance in the 12-inning tussle against Howard stamping him as a coming varsity star. Beagle and Waller, at first and behind the plate, respectively, were in the limelight with their spectacular play.

Coach Englebert, a Panther baseballer of a few seasons ago, knows the game from every angle and his team was well trained in the national pastime. He will have charge of Freshman baseball again this Spring. It is reported that there are a number of former high school stars to be candidates for the 1927 Freshman nine and another strong team should be produced.

TRACK

One of the strongest track teams in the history of Birmingham-Southern athletics was produced during the 1926 season. The Panther harriers were well coached and they performed in excellent style throughout their schedule, which included five important meets. The Dremmen never failed to finish high when they did not win. They were victorious in two of the meets, ran second in two and tied in the other, making a showing that is considered remarkable.

The bright spot in the season of successes was the showing in the S. I. A. A. meet at Clinton. The Panthers won second place in this meet for the second straight year, though a much smaller squad was entered this year than that which carried the colors of Southern in the 1925 S. I. A. A. meet at Munger Bowl.

It was against competition of the sternest variety that the Southland affords that the Birmingham-Southern team swept to second place laurels. Furman copped the 1926 meet, Southern pushing ahead of Presbyterian by a close margin to gain second place rating.

In the opening meet of the season Alabama's fast clan of track experts was tied, each team collecting 63 pointers. The University of Chattanooga Moccasins were next trounced by a monster score, the Panthers more than doubling the score on their rivals, 92 to 32. May 14 Union University was similarly dealt with in a Munger Bowl meet, the Golden tracksters copping 102 to 30. Emory won a 68-49 verdict from the Panthers in the other engagement of the season.

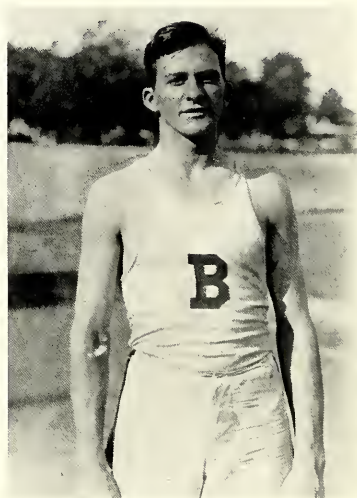

Early season prospects point to another strong team on the track in 1927 with the majority of the outfit of the past season back for service.

In the annual May Day Meet, with trackmen from four classes participating, the Sophomores headed the field. The Freshmen barely forged ahead of the Juniors for second place, the Seniors bringing up the rear. Final scores were: Sophomores 52, Freshmen 39, Juniors 32, Seniors 14.

A feature on the track calendar was the appearance of Charlie Paddock, world's swiftest runner, on the Munger Bowl track in sprints with Panther stars.

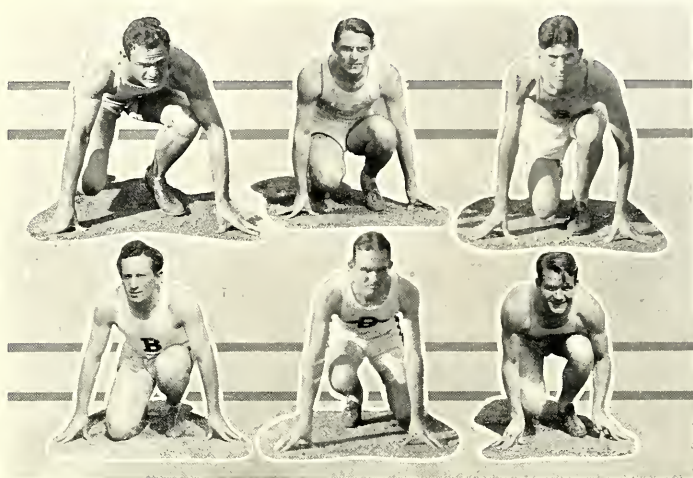

VARSITY TRACK SQUAD

CAPTAIN TATE

John Tate has been an outstanding trackman on the Hill for several seasons and as the chieftain of the harriers in 1926 he enjoyed another good season on the cinders. His favorite event is the half mile run but as a long distance runner he has also achieved much distinction, winning the Cooper Road Race in 1923 and finishing second in 1924. Tate has at all times been a consistent worker on the squad and throughout his career as a member of both Spring and Fall track squads he has seldom if ever failed to finish near the front in all the races he entered.

Track Team

HERBERT CHILDS

"Baby" Childs broad jumped his way to a position on the regular track team and before the season closed he was among the leading scorers.

JOHN JENKINS

John clearly showed his track ability in the dashes by running with Charlie Paddock in the exhibition on Munger Bowl.

KARL MORRISON

By consistent effort Morrison rapidly became a capable distance runner and he captured his share of the wins in these events.

DICK BEATTY

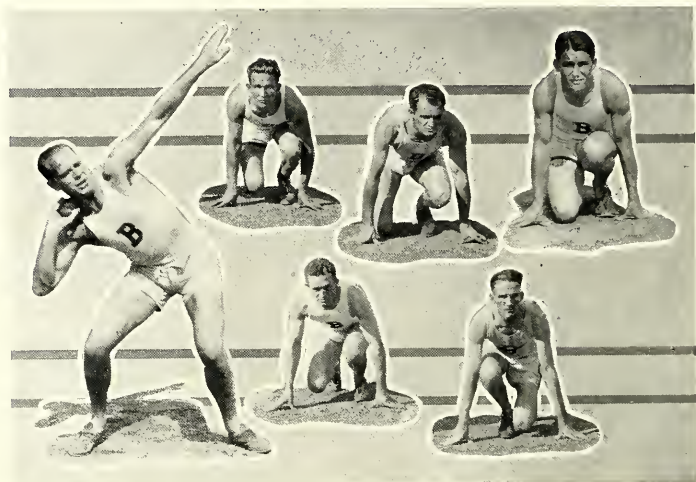

For several seasons Dick has been a prominent Panther trackster. He usually breaks the tape with select company if not winning the verdict.

PAUL STEPHENSON

Stevie has served in three roles on the track squad. As captain, manager and runner he has won deserved honors.

BOB SUDDERTH

Bob has few if any peers in Dixie at running the 440-yard dash. He wins this event against all types of opposition.

Track Team

BOB BOWDEN

Bob is an important member of the track team, having been a stellar performer at throwing the discus and putting the shot for two cinder seasons.

WILLIAM McCARTY

One of the fastest stepping individuals on the Hill, McCarty has been a reliable runner in the sprints. The 220 is his specialty.

SIDNEY MALLOY

Sid Malloy, one of the half milers, was a hard worker throughout the 1925 season, always finishing near the fore in the races he entered.

DICK LIPSEY

Dick is another one of those fleet individuals who participates in the short runs requiring flying finishes and starts.

BOWDEN BECK

Bowden Beck earned his third monogram in track, using his excessive speed to advantage in flying down the cinders to the tape.

FLOYD WILSON

For four years Floyd Wilson has been a great trackman at Birmingham-Southern. He has won a quantity of medals and accompanying titles and is probably the greatest distance runner of Panther history.

Note—Pictures of several track men unavailable.

Fall Track

BIRMINGHAM-SOUTHERN was represented by another Fall track squad of power in 1926. The team made admirable showings on all occasions and reached the peak of form in capturing first honors in the Southern Road Race at Atlanta Thanksgiving Day. The Panther runners, led by the brilliant Floyd Wilson, forged ahead of the field to cop this three and one-half mile event over the Atlanta pavements despite a slippery track. Floyd Wilson won individual honors, taking first place.

The team was entered in the B. A. C. Road Race and finished well, being second among the S. I. A. A. teams entered. Mississippi College led the field of S. I. A. A. teams entered, leading the Drewmen by a lone point. Wilson and Bailey continued to finish well, breaking the tape with the leaders in this meet.

The Cooper Road Race, the local feature of the Fall track season, was again won by Wilson. Clay Bailey, captain-elect, came in second, while John Perry finished third. The course of the race was changed this season, the beginning and finish being before the stands at Munger Bowl.

Five men were awarded Fall track letters at the close of the season. They were: Captain and Manager Paul Stephenson, Captain-Elect Clay Bailey, Ex-Captain Floyd Wilson, Karl Morrison and John Perry.

All of this quintet served well in 1926. "Stevie" in the labor of Captain and Manager has been a very valuable individual on Birmingham-Southern cinder teams and closed his career in good style.

Freshman Track

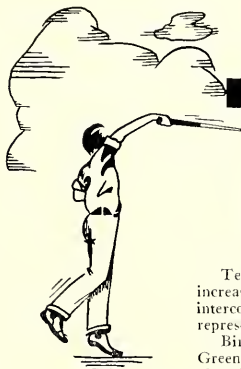

The efforts of the Cub trackmen of 1926 were rewarded with remarkable success. Included in the imposing list of opponents walloped with apparent ease was the high flying track squad of the University of Alabama. The Southern Rats won from the Crimson clad youths in the duel meet at Tuscaloosa, April 10, by the measure of 63 to 36. The entire group from Birmingham showed form in administering the licking to the Capstone thinly clad athletes.

Among the other track teams of strength that were unable to stop the Hilltop Freshmen were Phillips High, Ensley High and Snead Seminary. This trio of foes were downed without much difficulty and all of them boast of leading prep track contingents.

In brief, the season was a success from every angle. Coach Drew devoted much of his time to the Freshman trackmen and many of them shined forth into genuine stardom before the season's halt. The Freshmen ran second in the May Day Meet on Munger Bowl, winning a number of first places against the competition of the upper classmen.

The squad was very versatile and included a capable performer for each event on the track programs. Jack Finney, star dash man, played a leading role in the achievements of the 1926 Rat Team. The Five Points flash was a big winner in all of the events requiring speed, capturing the honors in the 100 and 220 yard dashes regularly. Pearson was a star at running the hurdles, adding many points to the team total in this number.

McGraw, Ogle, Mitchell and Ackers were the outstanding members of the team besides Finney and Pearson. At broad jumping McGraw took the lead, while Ackers was undoubtedly the best high jumper in school. Mitchell shone at putting the shot and Ogle worked with success in various events. Perry, Bailey and Sternchaus also showed form in their respective lines of track endeavor.

TENNIS

Tennis is a coming sport on Sunshine Slopes. Interest is annually increasing in the sport in which most of the students take part. As an intercollegiate sport it is also advancing and some strong tennis teams represented the college during the past season.

Birmingham-Southern's Varsity Tennis Team, composed of Paul Greene, Robert Lake, Lamar Branscomb and Herman Aufdehaar, played three inter-collegiate tournaments and entered the S. I. A. A. meet at Macon, Georgia. It was one of the most difficult schedules ever undertaken by a Panther net team.

Victories were neatly registered over the representatives of Chattanooga and Millsaps. Chattanooga was defeated, 5 to 1, while Millsaps fell before the Panther onslaught, 2 to 1.

Emory University, however, gained the edge over the Birmingham-Southern courtiers, winning by the close score of 2 to 1. In the S. I. A. A. meet the local entries were eliminated in the first round, losing to the team that ultimately carried off the Association Championship.

Greene and Branscomb represented the college in the doubles, while Lake was the dependable in the singles play.

Several school meets were held last year and Manager Gibson of 1926-27 promises similar action this season. Robert Lake won the singles meet last year, while Byron Gibson and Herman Aufdehaar, the court twins, nosed out ahead in the doubles.

Homer Lanford was winner in the Freshman tourney. Green was runner-up, finishing a close second. This pair was among the best in the Freshman meets held.

The Freshmen won two tourneys from the Alabama Rat netters, while two meets were divided with the Howard Freshmen. Howard won the first from the Cubs, 2 to 1, but the Hilltop Rats came back in a convincing manner to win the next meet, 3-0. Clement Ferrebe and "Shorty" Holmes were the players who combined with Lanford and Green to form the regular Freshman team.

Not only are varsity and Freshman tennis tourneys being held but meets are becoming annual events for faculty and co-ed players. Several new courts are now being erected.

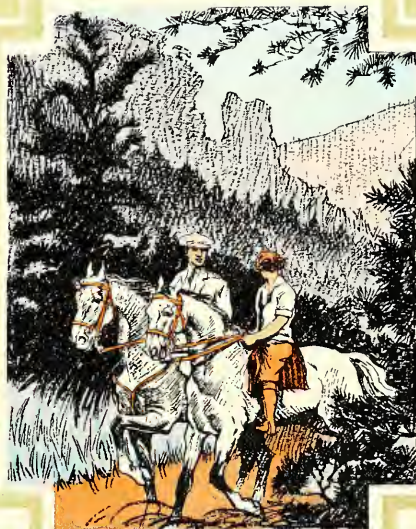

TENNIS VIEW

JAKE HALL

Porter Cup Winner

Jake Hall was awarded the Porter Loving Cup for being the best all-round athlete at Birmingham-Southern in 1925-26 and the honor was a much deserved one. He has won letters in three major sports, has served as captain in basketball and is captain-elect in track. Jake has been a star in the Panther line for three seasons on the grid, while at back guard in basketball he has also shone. In track he specialized in the field events and was one of the college's best bets at throwing the javelin and discus. In addition to this he has been a candidate for the baseball squad.

STAFF AT WORK

A Word to the Reader

There is necessarily a certain similarity in all college annuals, but in this edition of La Revue the staff has endeavored to produce a volume differing from established forms as much as consistency permitted.

It has been the constant purpose that La Revue 1927 be emblematic of a Greater Birmingham-Southern. In keeping with the advancement of the college an earnest effort has been expended to develop the Annual correspondingly. The board of workers, representing all phases of student life, has attempted to portray school activities in a comprehensive manner.

Many additional features have been included in this Yearbook in order to render it distinctive and of more enduring quality. Nineteen Twenty-Seven La Revue is presented to student body, alumni and friends as a culmination of consistent labors on the part of the staff. The merit of the book, if it attains success in the estimation of the readers, is due no individual member of the staff, but the entire group of contributors.

THE EDITOR.

FEATURES

Beauty Section

A novel plan was introduced for the selection of the Beauty Section of 1927 La Revue. Each student organization at Birmingham-Southern was permitted to make one nomination in the contest and from the thirty-nine nominees twelve were chosen personally by a committee of judges composed of Norman Hackett, actor, and Bernard Szold and Louise Cone, artists. Gloria Swanson made the final selection by pictures.

FOR A GREATER BIRMINGHAM-SOUTHERN

Senate To Inform

The Senate will be informed of the results of the investigation into the activities of the Southern Railway Company, which has been accused of operating a system of bribery and corruption in the South.

PANTHER ROUND FOR

Prospects Look Lull, Cuts Price

The Southern Railway Company, which has been accused of operating a system of bribery and corruption in the South, is expected to announce a new plan of operation in the near future.

AERIAL COLLEGE VIEW

PANTHER PRINTS

Around the Sun-Dial

The camera catches—Rats Hardy and Brill practicing the art of freshman cap grabbing before the Howard game. Martha Hagan and the Gilbert twins also consented to pose for the staff photographer. W'd tell you which is Evelyn and which is Kathryn, but really we don't know. There is A. D. Brown preparing to cast his vote in La Revue Elections.

Freshman-Sophomore Tie-up

The Pole Rush was replaced by the Tie-up as an athletic event between the Freshman and Sophomore Classes and a real scrap it proved to be. Munger Bowl was the scene of the tussle, the Rats finally emerging with the heavy score. The victorious group is pictured above. It was a keen argument all the way.

Training Camp Scenes

Before the 1926 grid season the Panther forces spent two weeks in the Tennessee mountains at Mentone. The entire group at training camp is herewith shown. Jones gives the linemen a few lessons and in the other photo an eleven of veterans come charging down the practice field. When school opened the Drexmen were near mid-season form.

Panthers at Mentone

Another group of views of 1926 varsity at Mentone training camp. Roy Long crashes the dummy, while Mascot Woodrow Simmons is contented to occupy the side-lines. Bob, Lex, Pancho, Baby and Harvey take a plunge. The scene is not complete without the two comedians, Al and Robert Lee; and Jack Finney also enters the path of the kodak.

From All Angles

What doesn't happen—A freshman swinging the strap and look whom he's swatting! The familiar drug store and its chauffeurs couldn't pass unnoticed. An aerial snap of those popular library steps. Hot and Dick don working togs and Fuzzy, true to custom, appears on the scene. The regular photographer is caught in action by his assistant.

Glee Club—Europe Bound

The Glee Club, heralded nation-wide as Dixie's Pride, scatters fame between Birmingham and major points in Europe. Prof. O. Gordon himself smiles at the big hit his singers made abroad. Rex, Red and Manager "Jabow" make a little harmony after classes and after a successful tour of foreign lands. Of course, Ballard comes into view also.

ON TO NOOGA

Typical Gridiron Scenes

Guin rips the Aggie line for five yards. "Pealus" Scott, former Panther star, joins professional ranks. The Panther on high and along the bench. That stepping dumb major or drum major prances down the Boxel between halves. The sponsors and crowd occupy some attention at the Howard classic. The band breaks loose with "Bye, Bye, Blackbird."

Parade Before Howard Game

The students were with the team throughout the season, but pep reached its highest pitch on the day of the big contest. The pep display did not cease when the rival captains shook hands before the battle, as shown above, but continued throughout the hectic game. A few parade snaps show the manner in which the team was supported in the gruelling fray.

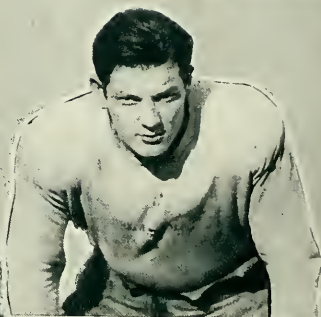

Campus Courses in Vogue

The photographer did not encounter the least difficulty in obtaining these pictures. The students were located easily around the sun-dial and proximity and not one of them objected to facing the instrument that is responsible for this section. For the sake of brevity we'd term these typical scenes—typical, that's all.

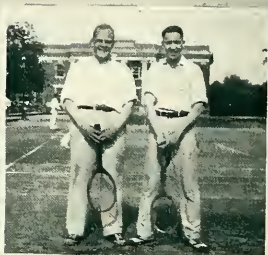

Some More Typical Views

This page may be similar to the preceding one, but it's different just the same. Indications are that Perry is taking it seriously, but we'd like to know why Blaylock refuses to carry Etoyle's books. John and Nettie are stopped on the way to chapel, while Sid and Ann were halted en route to classes long enough to take this photo.

Snapshots About the Hill

The snarling Panther is painted on the slicker of none other than "Hoot" Gibson. Coach Bruce Jones was taken in action when a player last fall with the national champions. Lex is ready to pass—it's the only thing he passed at college, they say. "Curley" shakes with the A. and M. captain before the opening game. Page Freshman Captain Sudduth.

A Few Outdoor Sports

Floyd Wilson, one of the South's greatest distance runners, breaks the tape first in the S. I. A. A. meet. McCarty and Tate are coming in second in other events. Stevie on the mark! The co-eds also take to the cinders. Then—in the other pictures are Dr. Snively, Professors Lochr, Perry and Black, contenders in faculty tennis tourney.

Faculty Off Duty

The Kodak Editor of La Revue failed to get pictures of all the faculty members, but he did not miss his goal far. Not all of the pictures were posed, however, for he was forced to make a movie of Professor Prodoehl going down the board walk that leads to Science Hall. Mr. Hale requests the following to report to his office.

More Faculty Members

A few more photos of the faculty members, the scenery ranging from Science Hall to Munger Bowl. Professor Matthews, publicity director, is hastily scanning the columns of the Gold and Black, college weekly. Mr. Erickson, director of the glee clubbers, continues to smile. Another European trip must be planned.

Here and There

Some of the students are seen climbing the chapel steps, while John Drinkard and Doug Humphries appear to be waiting calmly on the exterior until chapel is over. The editor of Panther Prints stopped here momentarily in trying to solve the problem of "Why Drinkard has these books?" They were borrowed for the picture.

A Few Feature Events of the Year

The Department of Pharmacy, under the direction of Dr. Jones and Mr. Shifflet, was added to the curriculum at the beginning of the second semester. The new branch of science is located on the campus in Middle Hall and is thoroughly equipped with modern apparatus. Many students have enrolled in this department and much interest has been shown in the work.

* * *

The study of Physics has been made a separate department at Birmingham-Southern. Dr. J. Horace Coulliott, an alumnus of Birmingham-Southern, will take charge of the department at the beginning of the scholastic year 1927-28. Mr. Coulliott did graduate work at Columbia. He has taught at Georgia Tech, University of Georgia and is now professor of Physics at Hunter College.

* * *

All departments of the college have been enlarged, ten professors having been added to the faculty this year.

* * *

Plans are being completed for the erection of a new auditorium and administration building to replace Owen Hall on the crest of Sunshine Slopes. With the completion of this building it will be possible for the entire student body to assemble in chapel. This is now impossible since the student body has increased in size to shatter all previous marks. The regular enrollment of the college is now well past the 1,000 mark.

* * *

During the past year the study of Geology was made a separate department under the direction of Professor Sandidge, who is on leave of absence from Johns Hopkins University.

* * *

During the past semester, the Varsity Debating Team, C. M. Small, Carl Moebes and Ted Hightower, representing Birmingham-Southern, defeated the Debating Team of Oxford University, England.

* * *

The Glee Club made its longest tour during last summer, including points of interest in Europe in its extended journey. The Clubbers had for the two preceding summers made western trips, rendering concerts in cities in the golden west.

* * *

A new tradition was introduced in the form of a contest held under the auspices of the Y. M. C. A. for the purpose of determining the individual student who knew the names of the most members of the student body. Marvin Mantel turned in the nearest correct list of names and received the award from W. O. Calhoun, President of the Y. M. C. A.

* * *

Athletic facilities have been increased by the erection of new tennis courts in the northern section of the Munger Bowl enclosure and a new practice field for athletic teams at another location on the campus.

Familiar Scenes

Any Day

Bill Jenkins winning a verbal clash on Science Hall steps. Lex Fullbright, Doc Sowell and John Drinkard other participants in "session."

* * *

Hoot Gibson and Homer Crim, though not even threatening rain, bedecked in the gleaming yellow slickers with fighting Panthers decorated on the backs.

* * *

Cac Craven. Jack Finney and Albert Vincent in line to interview the Dean by request.

* * *

Shorty Ogle, Mule Pace and Chink Lott exchanging grid information in Coach's office.

* * *

Walter Roe and Palmer Portis late to classes, chapel and lunch. Joe Travis even later to each.

* * *

Hawthorne Hawkins "pushing" his famous blue Ford over the Hilltop with little assistance.

* * *

Glenn Jones and Bob Bowden holding up the cafeteria line while they fill their trays to capacity.

* * *

Dr. Harris warning Rat Duncan what will happen if he fails to stay off his invisible bermuda that is said to be planted on the Hilltop.

* * *

Alice Dumas and Brant devoting a period to translating Latin quotations inscribed on the sundial.

* * *

Noble McEwen seeking salesmen and publicity for the "next" Dramatic Club play.

* * *

Rudolph Scott convincing the freshmen that they are unexcelled in general dumbness.

* * *

Tubby Hackney leaving a trail of smoke as he puffs his borrowed pipe across the campus.

* * *

Connolly Blair, Red Quin, Otis White and Ben Glasgow in conference on the Library steps.

* * *

Ed Rice, Gerald Bradford and Ercelle Harrison banging away at cash register keys.

* * *

Yank Miller and Frank McTrottes placing their stamp of approval on Beagle's letter from a Connecticut Girls College.

* * *

John Tate rehearsing a yodeling solo in the Book Store.

* * *

Reaves informing an anxious group that the mail hasn't been put up yet.

* * *

Bob Manar waiting to catch a ride to the next corner.

* * *

Jeff Henry and James Rushton Smith now broadcasting. Campus receiving station.

* * *

Floyd Wilson making collections of tickets at the Munger Bowl gate.

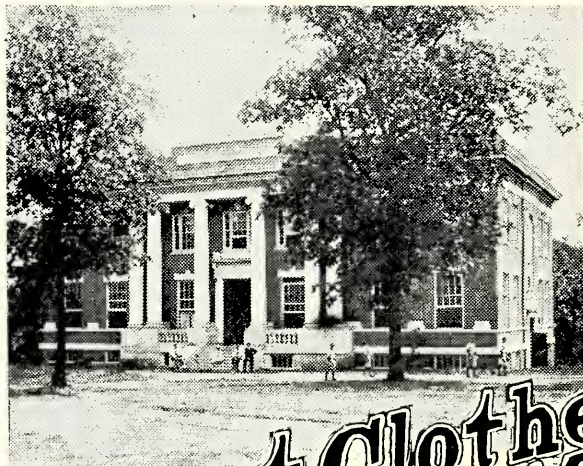

Advertising Section

This page is devoted to recording and extending our thanks to the firms, individually and collectively, that have patronized 1927 LA REVUE by advertising. May they in turn receive the patronage due from the students of Birmingham-Southern College.

The "Inside" Story of

begins with a glimpse as delightfully fresh and clean as new sheets.

Fleecy white, staple cotton in multiple layers—each full mattress size—gives PERFECTION a billowy softness that remains unchanged even after years and years of service. Get the genuine. Look for the label—and a guarantee.

DRESS WELL AND SUCCEED

DECLUNDAEN 1927

Schooled in Fashions Higher Learning

The old adage that "Clothes make the man" (or woman, as the case may be) has proved a fallacy! But a hot suit and the last whisper in ties have crowned many a campus king, and wallflowers have taken a stag line by storm in a frock that no stag could overlook!

Every department in this store is well versed in the Collegiate Manner!

Quality is Demonstrated by Their Performance

Today to be successful
good clothes
are just as necessary as a
good education

and just as Birmingham-Southern can
give you a good education, Pizitz can
give you the good clothes.

The boys and girls of the Birm-
ingham-Southern and their friends will
always find a warm welcome here.

*This modern "ice man"
calls once—with Frigidaire—
and the ice stays always*

IT IS EASY TO MAKE

Your Ice-Box a Frigidaire

Today, with Frigidaire, any home, city or country—that has electricity, can enjoy the many benefits of electric refrigeration. There are thirty-two models of Frigidaire for household use. You may have a complete cabinet model to fit your needs, or you can convert your present refrigerator—if it is one of the standard makes—into Frigidaire, by installing the dependable Frigidaire mechanism.

Birmingham-Southern College

(CO-EDUCATIONAL)

YOUR COLLEGE! CERTAINLY!

Fully Accredited Member of American and Southern Associations
of Colleges, Association of American Universities, American
Association of University Women

Total Enrollment '26-'27, over 2,500

Faculty: Character, Christian. Scholarship and experience equal to any in the state. Courses of study complete and liberal, leading to degrees of A.B., B.S., M.A. Languages, History, Sciences, etc., work leading to Medicine, Law, Engineering, Teaching, Ministry, Business, Pharmacy, etc. Department of Education recognized by State Board.

Successful teams develop student athletics. Experienced coaches. Courses in coaching various branches of sports. Physical education for both men and women. Campus, 125 acres, on wooded hill overlooking famous Jones Valley of Birmingham; unsurpassed for healthful climate.

New Students Building, largely contributed to by them, now headquarters for student activities. Student publications and clubs promote interest in literary effort. Y. M. C. A., Y. W. C. A., and other groups develop the best in the students religiously and socially.

\$1,000,000 added to resources by recent Christian Education Movement. Endowment increased materially by drive, spring of 1926. \$250,000 Munger Administration Building and Auditorium soon to crown the campus.

Genuine college advantages within reach of all. Necessary expenses under \$350. Innumerable opportunities of self-help in the city.
